

Undersuit VIKING XT500, black (Set)

Art.Nr.: HA200017

Undersuit VIKING XT500, black (Set).

Comprising top (incl. thumb loops), leggings (incl. adjustable waistband and foot loops), socks and crotch strap.

Manufactured from high insulation, low bulk fabric.

The material combines a fast wicking fabric with a high density inner fleece.

The outer layer has a water repellent finish.

Creates a micro climate around the diver keeping the body dry and warm with its moisture wicking properties.

Available sizes: S, M, L, XL, XXL, XXXL.
