# Exhaust Valve X2

Art.Nr.: UW022016

Exhaust Valve VIKING X2.

The X2 exhaust valve has been developed to meet the increasing safety demands from divers encountering contaminated water during day to day operations.

The X2 is built from a chemical resistant PC / PBT plastic material. There are double mushroom check valves made from silicon to minimise the risk of micro leakage which could possibly injure an exposed diver.

## Specification

Length: cm 0
Width: cm 0
Height: cm 0
Volume: cc 0.09
Weight: kg
