Dive Helmet Kirby Morgan® 37 Stainless Steel

Art.Nr.: KM500101

Dive Helmet Kirby Morgan® 37 Stainless Steel, w/MWP connector, Quad Valve.

For the diver who wants an all metal helmet with the sleek style of the 37, the stainless steel Kirby Morgan® 37 Stainless Steel helmet is the way to go...
It features an all stainless steel shell, as well as a stainless sideblock, helmet ring, handle, and other key components.

The SuperFlow® 350 is standard on this helmet.

The advantages of this stainless steel helmet include the following:
-Rugged helmet shell and other components.
-No refinishing required if the surface is scratched or gouged.
-Elimination of threaded inserts for securing port retainer to helmet shell.

CE marked.
