

Filling panel, type 200/300 D, 1 filling valve 200 bar - 1 filling valve 300 bar

Art.Nr.: AT311011

Filling panel, type 200/300 D

with 1 x 200 bar / 1 x 300 bar connector

Technical specifications:

- 200 bar filling valve as direct - filling connection
- 300 bar filling valve as direct - filling connection
- All filling valves with discharge silencer and air discharge safety
- Integrated pressure reducing 300/200 bar
- Safety valve 225 bar
- Final pressure gauge 200 and 300 bar
- Dimensions L x W x H 350 x 250 x 145 mm
- Weight: 12.18 kg

Specification

Length: cm 0

Width: cm 0

Height: cm 0

Volume: cc 0
