

Filling panel, type 200/300 D, 1 filling valve 200 bar
- 3 filling valves 300 bar

Art.Nr.: AT311013

External filling panel , Type 200/300 D

Technical specifications:

- 1 x 200 and 3 x 300 bar with filling hoses ,
1 m long
- Filling valve with short relief and air discharge safety
- Integrated pressure reducing 300/200 bar
- Safety valve 225 bar
- Final pressure gauge 200 and 300 bar and storage Pressure
- Ball valve for storage operation
- Dimensions L x W x H 76 x 25 x 15 cm

Specification

Length: cm 0
Width: cm 0
Height: cm 0
Volume: cc 0
