

Filling panel, type 200/300 D, 4 filling valves 200 bar - 1 filling valve 300 bar

Art.Nr.: AT311241

Filling panel type 200/300 D

Technical specifications:

c/w 4 filling device 220 bar and 1 filling devices 300 bar

- 3 filling valve 225 bar direct connection
- 1 filling valve 225 bar with filling hose 1 mtr. and DIN/INT connector
- 1 filling valve 330 bar direct connection
- pressure reducer 300/200 bar
- pressure gauge 200 bar and 300 bar
- safety valve 225 bar
- design in stainless steel
- space for control unit
- dimensions L x W x H 1114 x 280 x 145 mm
- weight appr. 25 kg
