Key keeper

Art.Nr.: WT560024

Key box for master key (key keeper)

With the key keeper keys are sealed within a solid plastic and characterized by the claimant personally by a note.

The unbroken key keeper proves that the key has not been used , so the confidence between behind -laying and keeping place is secured . The small dimensions and the lifting eye facilitate filing in each key storage . For key to 7cm length (over all) fit .

Material: Plastic
