Life jacket type ALPHA 275 3D Window

Art.Nr.: WT630062

Lifejacket ALPHA 275 3D Window to DIN EN ISO 12402-2

Highend lifejacket 275N class for use with heavy work clothes or in dry suits. A new and innovative float-shape increases the powerlessness security. After inflating form two additional roughly triangular air cushions, which allow an improved turning performance in the water.

Air inclusions in heavy work clothes or in dry suits often cause major problems when a lifejacket a castaway in the water has to turn on his back. Engineer from the manufacturer have with intelligent design found a new solution and realized 275 3D in the SECUMAR Alpha. The secret of success of this lifejacket for commercial use is in the float-form.
